SURVEYING AND MAPPING
Volume XXX

This index includes all principal articles and all news items, shorts, etc., having reference value, that were published in Volume XXX (1970) of Surveying and Mapping. The principal articles are indexed by subject and author; other items by subject only. For the convenience of persons referring to unbound numbers of the Journal, the number of the issue has been included in order to avoid the necessity of referring to the following table. The issues published in 1970 are as follows:

March	(pages 1–172 + index)	No. 1
June	(pages 173–348)	No. 2
September	(pages 349–524)	No. 3
December	(pages 525–700)	No. 4
